# SDGs & Integrated Community Development

**National Workshop on Scale-up of  
Community Based Environmental  
Health Promotion Programme (CBEHPP)**

19 February 2015

UNITED NATIONS  
RWANDA

unicef  
unite for children

**In 2010 President Paul Kagame calls for  
CHCs to be introduced into all villages in  
Rwanda**

**After five years of CHC intervention, MoH  
hosts a Donor Conference to accelerate the  
CHC programme to reach all 15,000 villages  
across Rwanda by 2018**

# CHCs in an Integrated Context

**CHCs** are being *taken to scale* & have become an integral part of national **Environmental Health Promotion** programmes.

In Rwanda & Zimbabwe integrated **WASH / Nutrition** programmes are being implemented (USAID funds) to address **Stunting and Poverty reduction**. AfDB +BMGF big focus on stunting.

CHCs are being *taken to scale* to **empower women** and **mobilize communities** to become more **self-sufficient in a practical, low-cost and sustainable way**.

*Community Health Club during a CHC dialogue session (Rusizi District, Rwanda)*

**In IDP camps of Northern Uganda 18,844 people had been registered as active CHC members within just 4 months!!**

## Quantifying Health Promotion

**87% completed  
all 20 sessions**

**Cards are signed every time a  
member covers each of 20 topics**

No.	Topic	Date	Signature	Homework	Signature
1.	Safe Water Chain			Safe storage & use of water	
2.	Safe Food Chain	6.12.2008		Pot rack; hanging basket etc.	
3.	Sanitation Ladder			Avoid faecal : oral diseases

# CHC MEMBERS IN INTERACTIVE CLUB ACTIVITIES

*Village WASH Mapping during a CHC session*

*Sanitation and hygiene Promotion Songs*

# CHC APPROACH FACILITATING LIVE DISCUSSIONS

**Reinforcement:** Peer pressure /home visits  
**Homework:** Recommended Practices  
**Measurable:** Specific Targets Each Week

# HOMEWORK IMPLEMENTATION AT HOUSEHOLD AND VILLAGE LEVEL

*Maintaining their water source and cleaning up the solid waste to preserve a clean environment*

**Solid-Waste  
Management,  
HWF (tippy-taps)  
Pot Racks  
Clean hygienic  
environment  
(focus on EE) are  
just some of the  
*'homework'*  
activities  
undertaken by  
every CHC  
Household**

**HH  
Competitions**

**FE cook stoves**

**HWTS**

**Nutrition Gardens**

**Fly-free Toilets**

**CHC Teams  
trained in  
Hand- Pump  
Maintenance &  
Management  
of local Water  
Facilities**

**Climate Resilience** through deepening of UFWs during times of low rainfall; this by the CHC owners of the wells

CHC members embrace Upgraded Family Wells (UFWs) for **improved health, nutrition, food security & income**

# **FAN Clubs**

**Food  
Agriculture  
Nutrition**

# Food Security & Self-Sufficiency through FAN Clubs

**CHCs in South Kivu, DRC**

**CHCs in Apac, Northern Uganda**
